CLUB INSIGHTS

Rick has been engaged in the private club industry for over fifty years in areas of club management, and operations, strategic planning, market analysis and developing successful marketing programs for private clubs. He has worked with over 1200 private clubs and has been a guest speaker in over 900 workshops and seminars, nationally and internationally.

PETER CAFARO

pcafar@JBDandJGA.com

JBD DESIGNS/JGA ARCHITECTURE

Since joining the company in 1999, Peter has been part of the senior management team directly responsible for the marketing and business development of Studio JBD and JGA. Through his expansive knowledge of the Private Club Industry and regular participation at Regional and National Club conferences and education sessions, his responsibilities have expanded to include direct responsibility for process development and communications for the company's Private Club Master Planning. He engages directly with club management and leadership assisting with member communication and organization assuring successful project results.
